Hello?

Dang, no one there again.

My name is Jeff Dotseth and I would be honored to be your next state representative. As a husband, father, grandfather and small business owner, I have experience first hand the challenges we have faced in the last several months. Keeping our community safe as well as getting our economy roaring back again and enhancing job opportunities will be my top priority. I will fight for you not metro special interest groups. I'm Jeff Dotseth. If you're looking for good old common sense and real representation then Jeff Dotseth is your choice this November. Paid for by the Dotseth volunteer committee
